EMPOWERING FUTURE LEADERS

COURSES OFFERED :

BBA | BCA

About the College

Patna Global Business College (PGBC) is dedicated to cultivating future-ready professionals through quality education and career-oriented programs. Strategically located in Gaurichak, Patna – 803203, PGBC holds approval from AICTE, New Delhi, and is affiliated with Patliputra University.

We offer two flagship undergraduate programs — **Bachelor of Business Administration (BBA)** and **Bachelor of Computer Applications (BCA)** — designed to equip students with industry-relevant skills and practical knowledge.

Our mission is to empower the youth of Bihar, especially those from economically disadvantaged backgrounds, by providing accessible, affordable, and impactful higher education.

Letter From Director's Desk

“At Patna Global Business College, we firmly believe that education is the most powerful tool to transform lives. Having witnessed the challenges faced by rural and middle-class families, I envisioned an institution where even the most underserved students can access world-class education.

With initiatives like the Bihar Student Credit Card Scheme and robust in-house support systems, no student at PGBC needs to abandon their academic journey due to financial constraints. Enroll your child with us and watch them evolve into globally competent professionals.”

Er. Mithilesh Kumar
– **Director, PGBC**

Letter From Principal Desk

“PGBC is more than just an academic institution — it is a platform of hope, growth, and opportunity. We are committed to bridging the educational gap faced by students in Bihar by offering quality education with a practical, skill-based approach.

Our academic environment emphasizes discipline, values, and employability. We aim to mold our students into industry-ready, job-ready, and life-ready individuals who can bring about positive change.”

Shabnam Kumari
– **Principal, PGBC**
